Plus Refreshments**
- Vote for your favorite poster!**
**(Voting closes at 2:30 pm. Please put your red ticket in
the envelope on the back of the poster you select.)**
- 2:30 pm – 2:40 pm **Announce Poster Winner**
- 2:40 pm – 3:00 pm **Tribal Safety Initiatives**
Cheyenne and Arapaho Behavioral Safety Strategies –
Angela Blind, C & A Transportation Director
Angela will discuss the innovative ways to deliver various safety campaign messages to effect change among individuals within your Tribal communities and influence their decision-making. She will also show how to empower youth of your Tribe to serve as ambassadors to further emphasize seatbelt safety and impaired driving campaigns, including texting and driving and drinking and driving initiatives. Angela will showcase their many different community events and express the need to continue to advance the many transportation safety issues.
- 3:00 pm – 3:15 pm **Tribal Transit Update –** Angie Gilliam, Transit Director, The Chickasaw Nation – *Angie will discuss the Tribal Transportation Self-Governance Program Negotiated Rulemaking Committee and the FAST Act, outcomes of the National Tribal Transportation Conference Transit Sessions, and upcoming transportation meetings, trainings, and funding opportunities.*
- 3:15 pm – 3:45 pm **Life After a Fatality –** Pamela Journey, Project Development Director, Cross Timbers Consulting
As tribes develop transportation safety plans, collision data reveal the crisis and contributing factors. This presentation balances the technical and emotional aspects of life after a fatality.
- 3:45 pm – 4:15 pm **ODOT Safety Focus**
The Evolution of Center Line Rumble Strips –
Marty Farris, Traffic Engineering, Oklahoma DOT – *Investment in infrastructure equals safety for the traveling public. Learn about the latest safety improvements undertaken by ODOT, including Centerline Rumble Strips.*
- 4:15 pm - 4:30 pm **Closing remarks by Michael Lynn, OTTC President**
